

Architectural Notes:

The attached conceptual elevation images are submitted solely for the purpose of illustrating the design characteristics and quality of the single family detached homes and may deviate from the attached images. Residential building walls shall be wood clapboard, wood shingle, wood drop siding, primed board, wood board and batten, fiber cement board, brick, stone, stucco, or similar material. Vinyl shall not be a permitted exterior building material provided, however, that vinyl may be utilized on the soffits, trim, railing, and windows.
